

David Yrigoyen (MMJ_David)

Expert Cannabis Consultant and Educator

David has helped thousands of people find relief with cannabis, CBD, and alternative medicine for over 12 years. He opened a wellness center in 2012, Natural Healing Care Center in Tucson, AZ and has helped his community bridge the gap between allopathic medicine and naturopathic medicine. David developed a CBD company in 2018 and has been the director of quality control and potency. With his extensive knowledge of cannabis and CBD, David has been able to teach people how to make their own products from home without any psychoactive effects.

CLIENT FEEDBACK

“David helped introduce me to cannabis and CBD products that gave me relief and allowed me to get off of my pain medication. I was on morphine and Cannabis was a better option.”

Steve (John)

“We took David’s infusing with cannabis class and he was able to teach us how to make our own products at home for us and our mom. We are able to control dosing and utilize THC-a for inflammation relief.”
